it would be a shame that she would have to stop advertising altogether due to this asshole that's exactly what he feeds off of, if she cancelled it would appear he has scared her into submission. Nicole do you have anyone higher Michelle can speak to?

Thank you!

Subject: FW: Review Escalation

Hi Nicole,

I spoke with Marshall this morning, and this was his response. Is there someone higher than can help get the fake review removed and prevent future fake reviews from coming through? Or should I deactivate my account?

Sincerely,

Michelle Kohn

Hi Michelle,

Unfortunately, we do not have a way to prevent users from submitting reviews on your profile as long as you have an agent profile on Zillow. However, you can flag reviews that are published for our moderation team to review. And I have also submitted a notice to them about the user that submitted the pending review indicating this is also your ex who already published a review from another account.

Let me know if there is anything else I can do for you.

Hi Michelle,

This is Marshall from Zillow Group. It was nice speaking with you.

Thanks for taking time to explain the situation to me. I'm sorry you are having to deal with these circumstances. It does look like your ex has submitted reviews from two accounts from both of the emails you mentioned on the phone. One has already been published and the other is still pending. I am trying to see if our moderation team is willing to do anything in this scenario and will follow up with you once I have an update on this issue.

If you have any additional questions or concerns, please let me know.

Thanks and have a good rest of your day!
